Phone Number: 488-3561

Assessments

Assessments continue this week for grade 2-5 students. Students have been working very hard on their assessments. Please continue to remind your child to get lots of rest and to have a good breakfast in the morning.

Hot Lunch

Home and School would like to remind you that Thursday is the final day for wraps for this school year. If you would like to order pizza for Monday, June 4th please have your order in on Thursday. June 4th is the final day for pizza for this school year.

Bus Information

Please remember that you are not to pass the school bus while it is stopped with its red or yellow lights flashing. Passing a flashing school bus in our parking lot is the same as on the highway and could result in a hefty fine.

Comments from our students

This week at school was wicked because we made Sunfish. We had two paper plates. We designed our fish with paint and then stuck the fins on with glue. I love my Sunfish.

Elizabeth – Grade 3

This week at school was exciting because the grade twos and threes started the year end assessment. I think I am doing well on my assessment because I have already finished part B. I cannot wait until we start part C.

Anthony – Grade 3

I was glad that I got to bring in the sunfish for the class. I was excited to see that an eel was put in the bucket too! Miss Hogan was not as excited about the eel as I was.

Carl – Grade 2

Upcoming Dates - Mark Your Calendars

Pictures from Middle School Car Wash

Here are pictures of the middle school car wash fundraiser. Students had a great time and raised \$392.50 to go towards their end year activities. Thank you to everyone for your donations.
